VIERAASTA VOIMAVARAKSI –HANKE - IT MEANS A PROJECT NAMED - THE FOREIGN WORKERS FOR OUR RESOURCE

This report of these pictures is made mainly for the project of Foreign Workers for our Resource.

With this report, we want to introduce leisure activities in Karvia, especially to those who do not yet know Karvia very well. They might be wondering how to spend and enjoy their free time here.

We can also recommend this photo report to the other people who are interested in the opportunities and hobbies in Karvia. Maybe they are wondering what kind of experiences they can get in our beautiful nature.

Thank you so much for coming!
